

CREATING GENDER INCLUSIVE SCHOOLS WORKSHOP

Tuesday, October 24, 2017, 8 a.m.-4 p.m.

TIES Grand Hall

1667 Snelling Avenue North, St. Paul

*Featuring national expert Joel Baum, MS,
Senior Director of Professional Development
and Family Services, Gender Spectrum*

AS A RESULT OF THIS TRAINING, PARTICIPANTS WILL BE ABLE TO:

- Define gender and use specific terminology and concepts to describe the multiple dimensions that inform it
- Characterize data and personal narratives relating to the experiences of transgender and other gender-expansive students in Minnesota
- Understand and be able to describe the characteristics of a gender-inclusive school
- Become familiar with framework, including four distinct entry points for working to create greater gender acceptance for all students
- Utilize various approaches for responding to commonly raised questions and concerns related to implementing gender inclusive practices and supporting transgender and other gender-expansive students
- More confidently work to support greater gender inclusion in their own school communities

WHO SHOULD ATTEND?

Public relations professionals, superintendents, principals, counselors and others seeking to learn more about this complex topic.
